YMCE Coast Interview

Coast Interview Script

- Hello, my name is Ivana and I'm a student with the SIT program. For one of our assignments, we are doing interviews with individuals here on the coast. If you have about half an hour available, would you be able to answer some of my questions? Also, would it be alright if I record the interview using my cellphone?
- Can you tell me a little bit about your family here in Pearl Lagoon?
- What's your family history, going back to your parents and grandparents?
- How did you all arrive in Pearl Lagoon?
- Can you tell me a bit more about the kids? Where do they go to school?
- Have they always attended this school or have they attended other schools as well?
- How was the decision made for the kids to attend school at all? This school in particular?
- How do they feel about school?
- Do you know what kind of classes they're taking?
- Do they have cousins or friends that attend other schools in Pearl Lagoon?
- What made you decide to not send your kids to that school or those schools?
- What opportunities do you hope they'll have in the future because of education? Do you know what they want to do in the future?
- If you had the chance, what would you change about the schools or the education system here in Pearl Lagoon and in Nicaragua?
- Thank you so much for sharing your time and your story with me!
